

# Slip Lids

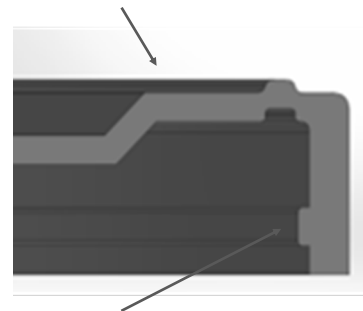

**TALISMAN**  
CAPS AND CLOSURES

Product Datasheet 2023

## Consistent high-quality performance for the most demanding of applications

Talisman's resealable and reusable slip lids provide excellent secondary closures for a variety of metal and composite containers.

*Stable platform for improved stacking ability & lid rigidity*

*Clips to container to create a secure, airtight closure*

## Available in a variety of colours and sizes

Part Code	Ref. Size	Diameter (mm)		Depth (mm)	Thick-ness (mm)	Approx. Part Weight (g)	Box Qty. (Tumble packed)
		OD	ID				
CL 002A	2.5"	51	48	7	0.8-0.9	4	1700
CL 000A	3"	76.5	73.5	7	0.8-0.9	4.5	1700
